

# CO321 : Embedded Systems

Home / My courses / CO321 / Week 2 : 17 Jun - 21 Jun / ATmega328P Pinout on Arduino Uno

## ATmega328P Pinout on Arduino Uno

### UNO PINOUT

Departments

- Chemical
- Civil
- Computer
- Electrical and Electronics
- Engineering Mathematics
- Mechanical
- Manufacturing and Industrial Management

Other Courses

- Foundation Programme
- General Programme
- General Electives
- Postgraduate

Centres and Units

- Industrial Training and Career Guidance Unit
  - Industrial Training
  - Career Guidance
- Engineering Education Unit (EEU)
- English Language Teaching Unit (ELTU)

Special Pages

- Field Selection
- IESL
- Student Discipline
